

HOMESCHOOL SHOW & TELL 2022-2023

Our goal with the Homeschool Show & Tell series is to share the unique beauty that is homeschooling and that there is no single way to do it. The requirements for joining us are simple. Just mention the hosts: Abby from Rooted in Rest and Jessica from The Waldock Way in your video and link the playlist in your description. Each month's playlist will open the first Wednesday of the month at 10:00 a.m. EST and close the last day of each month.

We look forward to having you join us either by participating in the collaboration or by watching the amazing homeschool content.
